EDUCATION

University of California, San Diego, San Diego, CA *Expected June 2028*
Bachelor of Science in Business Economics | Minor in Finance | GPA: 3.5/4.0
Relevant Coursework: Financial Management, Applied Calculus, Operations Management, Negotiation

RELEVANT EXPERIENCE

UC San Diego | *Economics Research Lab Assistant, San Diego, CA* *Apr 2026 – Jun 2026*

- Analyzed economic datasets using Stata and R/RStudio to conduct regression and correlation analyses and create data visualizations examining relationships among sleep, beliefs and economic outcomes.
- Organized and reviewed research datasets to improve consistency, identify outliers and create visual models to compare variables and visualize relationships across datasets.
- Collaborated with PhD researchers and undergraduate team members to support empirical research, interpret quantitative findings and present research conclusions as a group.

Monello | *Hostess (20-25 hrs/week), San Diego, CA* *May 2026 – Present*

- Manage reservations, waitlists, and real-time seating through OpenTable in a high-volume restaurant environment, supporting efficient table turnover and guest flow.
- Coordinate with servers and managers to balance table capacity, resolve guest concerns, and adjust front-of-house workflows during peak service periods.

FINANCE & ANALYTICAL PROJECTS

Personal Financial Management | *Financial Analysis Projects, UC San Diego* *2026*

- Built an Excel retirement model comparing multiple investment-return scenarios and analyzed how long-term return assumptions could create approximately $2 million in differences in accumulated wealth.
- Created a personal budgeting model incorporating income, expenses, savings and cash-flow decisions to evaluate financial tradeoffs and savings strategies.
- Evaluated publicly traded companies through a simulated stock portfolio and compared investment choices including Amazon, Apple, and Spotify.

Negotiation Strategy | *Applied Negotiation Projects, UC San Diego* *2026*

- Develop negotiation strategies using target prices, counteroffers, reservation values, and walk-away thresholds; evaluate outcomes to assess bargaining effectiveness.
- Analyze negotiation outcomes through written reflection, evaluating how communication, leverage, and bargaining strategy affect agreement quality.

PROFESSIONAL & CAMPUS INVOLVEMENT

Women in Business (WIB), UC San Diego | *Member* Oct 2026 – Present

- Participated in professional development workshops and networking opportunities focused on business and career exploration.

Undergraduate Economics Society (UES), UC San Diego | *Member* Oct 2026 – Present

- Engaged in economics-focused events and career development opportunities related to finance, consulting and business.

SKILLS
